

PRICING AND PACKAGES

Barfoot & Thompson
PRESENTS

Three World Masters Games 2017 packages have been created so participants can choose the options most suited to their budget and needs. The packages have been named Gold, Silver and Bronze.

Even if you're not competing on the field of play, you can still experience the World Masters Games by purchasing a Non Playing Official or Supporter package. These packages offer the same benefits available to athletes, but without entry to a sport.

All packages include attendance at the Opening and Closing ceremonies and access to the participant-only social events. As a non-playing participant, if you've selected the Silver or Gold packages, you'll also have access to transport, visitor attractions, and fitness centres.

Please read the terms and conditions for full details about each package, available on the World Masters Games 2017 website.
